Subject Index

ACCESS TO CARE
Patient characteristics of dental hygienists operating independently of dentist supervision. Kushman, 194.

CLINICAL PROCEDURES
An investigation of dental hygiene treatment fear. Gadbury-Amyot, 115.
Domestic violence identification and referral. Gibson-Howell, 74.
Dental hygiene screening reveals childhood neck mass. DeMattei, 225.
A survey of in-office use of fluorides in the Houston area. Warren, 166.
An in-vitro investigation of the efficacy of CPC for use in toothbrush decontamination. Meier, 161.
Infection control protocols for exposing and processing radiographs. Wyche, 122.

Data collection/patient assessment
An investigation of dental hygiene treatment fear. Gadbury-Amyot, 115.
Domestic violence identification and referral. Gibson-Howell, 74.
Dental hygiene screening reveals childhood neck mass. DeMattei, 225.

Preventive agents
A survey of in-office use of fluorides in the Houston area. Warren, 166.
An in-vitro investigation of the efficacy of CPC for use in toothbrush decontamination. Meier, 161.

Fluoride
A survey of in-office use of fluorides in the Houston area. Warren, 166.

Topical application
A survey of in-office use of fluorides in the Houston area. Warren, 166.

Oral mouthrinses
An in-vitro investigation of the efficacy of CPC for use in toothbrush decontamination. Meier, 161.

Radiography
Infection control protocols for exposing and processing radiographs. Wyche, 122.

Referral
Dental hygiene screening reveals childhood neck mass. DeMattei, 225.

Tooth polishing and cleansing
An in-vitro investigation of the efficacy of CPC for use in toothbrush decontamination. Meier, 161.

Toothbrush disinfection
An in-vitro investigation of the efficacy of CPC for use in toothbrush decontamination. Meier, 161.

Cetylpyridinium chloride
An in-vitro investigation of the efficacy of CPC for use in toothbrush decontamination. Meier, 161.

COMPETENCE/QUALITY ASSURANCE
A survey of in-office use of fluorides in the Houston area. Warren, 166.
A second look at expanded functions research: Unintended outcomes for the public's safety. Boyer, 35.

Standards of practice
A survey of in-office use of fluorides in the Houston area. Warren, 166.

CONTINUING EDUCATION
MEDLINE: A informational resource for dental hygienists. Gould, 206

Resources
MEDLINE: A informational resource for dental hygienists. Gould, 206

Electronic information services
MEDLINE: A informational resource for dental hygienists. Gould, 206

MEDLINE: A informational resource for dental hygienists. Gould, 206

DELIVERY
Practice characteristics of dental hygienists operating independently of dentist supervision. Kushman, 194.

Special population groups
Practice characteristics of dental hygienists operating independently of dentist supervision. Kushman, 194.

DENTAL AUXILIARIES
A second look at expanded functions research: Unintended outcomes for the public's safety. Boyer, 35.

Dental assistants
A second look at expanded functions research: Unintended outcomes for the public's safety. Boyer, 35.

DENTAL HYGIENE BUSINESS
Practice characteristics of dental hygienists operating independently of dentist supervision. Kushman, 194.

Independent practice
Practice characteristics of dental hygienists operating independently of dentist supervision. Kushman, 194.

DENTAL HYGIENE CAREERS
A second look at expanded functions research: Unintended outcomes for the public's safety. Boyer, 35.

Dental hygienist in Hong Kong: Present and future status. Fung, 66.
Factors influencing dental hygiene retention in private practice. Calley, 151.
Employee/employer relations
A second look at expanded functions research: Unintended outcomes for the public's safety. Boyer, 35.
Dental hygienist in Hong Kong: Present and future status. Fung, 66.
Factors influencing dental hygiene retention in private practice. Calley, 151.
Employment settings
Factors influencing dental hygiene retention in private practice. Calley, 151.
Expanded functions
A second look at expanded functions research: Unintended outcomes for the public's safety. Boyer, 35.
Job/career satisfaction
Dental hygienist in Hong Kong: Present and future status. Fung, 66.
Factors influencing dental hygiene retention in private practice. Calley, 151.
Retention
Factors influencing dental hygiene retention in private practice. Calley, 151.

DENTAL HYGIENE PROFESSION
Dental hygienist in Hong Kong: Present and future status. Fung, 66.
Attitudes
Dental hygienist in Hong Kong: Present and future status. Fung, 66.
Foreign countries
Dental hygienist in Hong Kong: Present and future status. Fung, 66.

ETIOLOGY ORAL DISEASES
Dental hygiene screening reveals childhood neck mass. DeMattei, 225.
Extraoral lesions
Dental hygiene screening reveals childhood neck mass. DeMattei, 225.

INFECTION CONTROL
Infection control knowledge, practice and attitudes of Mississippi dental hygienists. Daniel, 22.
Infection control protocols for exposing and processing radiographs. Wyche, 122.
Aerosols
Infection control knowledge, practice and attitudes of Mississippi dental hygienists. Daniel, 22.
Personal protective equipment
Infection control knowledge, practice and attitudes of Mississippi dental hygienists. Daniel, 22.
Practices
Infection control knowledge, practice and attitudes of Mississippi dental hygienists. Daniel, 22.
Infection control protocols for exposing and processing radiographs. Wyche, 122.
Dental hygienists
Infection control knowledge, practice and attitudes of Mississippi dental hygienists. Daniel, 22.
Infection control protocols for exposing and processing radiographs. Wyche, 122.
Prevention of disease transmission
Infection control knowledge, practice and attitudes of Mississippi dental hygienists. Daniel, 22.
Infection control protocols for exposing and processing radiographs. Wyche, 122.

LEGISLATIVE/JURISPRUDENCE
A second look at expanded functions research: Unintended outcomes for the public's safety. Boyer, 35.
Regulations
A second look at expanded functions research: Unintended outcomes for the public's safety. Boyer, 35.
Supervision
A second look at expanded functions research: Unintended outcomes for the public's safety. Boyer, 35.

PATIENT
An investigation of dental hygienists treatment fear. Gadbury-Amyot, 115.
Domestic violence identification and referral. Gibson-Howell, 74.
Management
An investigation of dental hygienists treatment fear. Gadbury-Amyot, 115.
Domestic violence identification and referral. Gibson-Howell, 74.
Response
An investigation of dental hygienists treatment fear. Gadbury-Amyot, 115.
Fear
An investigation of dental hygienists treatment fear. Gadbury-Amyot, 115.

PERIODONTAL DISEASE
Determining periodontol risk factors in patients presenting for dental care. Schutte, 230.
Diagnosis
Determining periodontol risk factors in patients presenting for dental care. Schutte, 230.
Etiology
Determining periodontol risk factors in patients presenting for dental care. Schutte, 230.
Prevention
Determining periodontol risk factors in patients presenting for dental care. Schutte, 230.
Risk factors
Determining periodontol risk factors in patients presenting for dental care. Schutte, 230.
Screening
Determining periodontol risk factors in patients presenting for dental care. Schutte, 230.

PUBLIC SERVICE
Domestic violence identification and referral. Gibson-Howell, 74.
Detection abused spouse
Domestic violence identification and referral. Gibson-Howell, 74.
